TECHNOLOGY ALL AROUND ME

Lookaround you. Look around your house, your neighbourhood, and your community. Can you see technology all around you? Generally, we think that technology is sophisticated and that it is not present in our lives. But technology is everything that helps us solve problems every day and makes our lives easier. Maya and Victor will talk about their favourite pieces of technology.

Hi! I'm Maya Penn. I'm from The U.S. My favourite piece of technology is my sewing machine. I like my sewing machine because I can make clothing with it. I love drawing and designing clothes, eco-friendly clothes, of course. Also, my other favourite piece of technology is my laptop. I like my laptop because I can draw and create animation on my computer. It is really fantastic. I think technology is all around us.

Hello! I'm Victor Barraza. I'm Peruvian. My favourite piece of technology is my bicycle because I can go to different places with it. I am the inventor of eco-friendly bicycles. They are made of bamboo. I love riding my eco-friendly bike every day. Another of my favourite piece of technology is my cellphone. I live in Lima, but my parents live in Tingo María. I like my smartphone because I can speak and make videocalls with my parents and friends. Technology is really great.
