 [READING]

3 Read and match.

I'm Thi and I'm excited! The summer holidays start next week. I'm going to visit Tuy Hoa with my family. It's about 75 kilometres from our home. We can get there by bus. We're going to go camping. The campsite is near the beach, so I'm going to practise swimming with my mum. On my birthday, we're going to eat seafood at Vung Ro Bay. Fish is my favourite food. Also, I'm going to hike in the hills with my dad. We want to see some lakes and forests. My older brother Vinh is going to ride a horse. He's also going to visit an eco-farm to see the animals.
