Last week I went to an <sup>1</sup> \_\_\_\_\_  
called 'Chickens'. It was held in the local art  
<sup>2</sup> \_\_\_\_\_ and it showed the work of a local  
<sup>3</sup> \_\_\_\_\_, Katija Vorelli, amongst others. As  
we arrived, we saw an enormous <sup>4</sup> \_\_\_\_\_  
of a chicken outside the building! Then we  
went inside. Katija usually only does colourful  
<sup>5</sup> \_\_\_\_\_, but this time she included some  
pencil <sup>6</sup> \_\_\_\_\_. The <sup>7</sup> \_\_\_\_\_  
Ricardo Peters was also there and he read some of  
his <sup>8</sup> \_\_\_\_\_. It was a fun evening and gave  
me some ideas for my own paintings and drawings.
