## Alyssa's letter

Hello everyone,

Let me introduce myself!

My first name is Alyssa and my surname is Powell.

I am a new student at this school. In fact, this is my first day at secondary school. Most of my friends went to different schools, so I do not know a lot of people here.

Maybe you and I could be friends?

I live in Sevenoaks, that's a small town near London. Every Wednesday I practise football at the local club. On Saturday I play a match. My team is not really good. We lose most of the matches, but we always have a lot of fun.

Do you have any hobbies?

Let me tell you about my family. I live in a flat with my mother, father and two brothers. My mother is 41 years old and she works at a supermarket. My father is 43 years old and he is a teacher. My brothers, Max and Dylan, are 7 years old. They are twins. Most of the time my brothers are nice but sometimes I want to get away from them.

Hopefully I will make new friends soon!

Kind regards,

Alyssa
