BOOST YOUR CONFIDENCE

Travelling to new lands has its benefits but it also comes with its challenges.

I've heard my share of scary stories. A huge bull blocking the narrow mountain path you have taken. A rickshaw man takes a side street and suddenly you find yourself in a gloomy slum. You ask the locals for directions and they take you to the neighbourhood chief who looks like the gangsters in movies. And what is really scary is that you are alone in an unknown place. You cannot rely on friends and relatives, or even on your language skills.

This is why how travelling forces you to be resourceful and teaches you how to cope with obstacles. Overcoming various challenges turns the scary story into and adventure and boosts your confidence. You even feel better prepared for the challenges waiting for you back home.
