

# RISK IT ALL - BRUNO MARS

For just the chance to win your heart  
You could set the bar beyond the stars  
I'll do anything  
Anything you ask me to

---

Watch me learn to fly  
Ain't no mountain you could point to  
I wouldn't climb  
It's crazy, but it's true

---

I'd risk it all for you

To hold your hand and call you mine  
I'm tryna \_\_\_\_\_  
Oh, I'll do anything  
Anything you ask me to

---

Just to be by your side

---

You could take mine  
It's crazy, but it's true  
There's nothing I won't do  
I'd risk it all for you

I would swim across the sea just to show you

---

I could go on and on  
To prove that you belong here in my arms

Chorus
