

III. Put the words in the table in the columns according to their stress pattern.

|             |             |           |             |             |            |
|-------------|-------------|-----------|-------------|-------------|------------|
| illegal     | celebrate   | available | festival    | consumption | electric   |
| performance | performer   | generate  | effective   | imagine     | convenient |
| exhausted   | comfortable | library   | improvement | relative    | fortunate  |

  

| Stress on 1 <sup>st</sup> syllable | Stress on 2 <sup>nd</sup> syllable |
|------------------------------------|------------------------------------|
| celebrate                          | illegal exhausted                  |
| festival                           | available improvement              |
| generate                           | consumption                        |
| comfortable                        | electric                           |
| library                            | performance performer              |
| relative                           | effective                          |
| fortunate                          | imagine                            |
|                                    | convenient                         |

IV. Mark the stress of the words in the box then read them aloud.

- |              |               |              |                |
