A Memorable Day

My name's Tony. Last Monday, my mom and I went to the shopping center to buy some things for school. As we walked into the school supply shop, I saw a nice backpack. It was yellow and blue. I wanted it, so I asked my mom to buy it for me. However, my mom said it was too expensive. We only had enough money for the new shoes, so we went to a shoe shop. I picked the shoes I liked and asked the salesperson to let me try size 7. After a while, she came back and handed me the shoes I wanted.

It was a long day. When we arrived home, my dad gave me a box and asked me to open it. Surprisingly, it was the same backpack that I saw at the mall. My mom and dad hugged me and whispered "Happy birthday!" Then I realized it was my birthday so I kissed and thanked them. I was so happy.
