Underwater Photography

Hello! My name is Serena (0) but I love taking photos underwater. Underwater photography (9) allowing me to see the world from a completely different viewpoint. It is (10) an great way of creating fantastic pictures. I started doing this when I (11) is ten. My uncle showed me a picture of a turtle that he took while diving. It was beautiful so I (12) asks my uncle to take me along on his next trip. Soon after that, I went to Redang Island with (13) he. Now, I (14) had a collection of pictures showing 35 different underwater creatures. One of the biggest challenges for me is to (15) holding my breath underwater. I also need to stay still and take as many (16) photo as I can. However, I truly enjoy the experience. I think that everyone should try diving at least once in their lifetime.

FAMILY GRILLED CHICKEN

The famous Family Grilled Chicken is my favourite restaurant. I will always find myself chewing clean a drumstick and licking my fingers every time I eat the grilled chicken bought from the restaurant. Secret spices are mixed and rubbed all over the chicken before it is grilled over a charcoal fire for hours. It is then served with black pepper sauce.

The Family Grilled Chicken restaurant is only open on weekends. You can find it on Tempurung Road. It's fastest to use the short-cut along Rimbun Road. The restaurant's doors are closed until 5 p.m., but some loyal customers will even start queuing up as early as 4.30 p.m. A whole fresh chicken at the food market would usually cost between RM15 and RM20, but here I can enjoy a cooked one for only RM16! It's a great deal.

As the chickens are cooked in batches and left on the grill, there is always piping hot, tender chicken to be enjoyed. For just RM5, you can add on fried rice. It's a shame that they don't do my favourite dish – mashed potato – but salad is another option if you prefer something healthier.

The owner started the stall because he loved grilled chicken. He was an engineer before becoming the successful businessman that he is now. He first learned the recipe from his uncle in 2010. He spent the following year trying out the recipe before opening his stall in 2011. He has been grilling delicious chicken and filling people's stomachs ever since!

Why I Love Horror Films

by Muhammad Amin bin Ahmad

I sometimes hate horror films, but I can't stop watching them. What is it about horror films that makes them so enjoyable?

I think we love watching horror films because it's like doing an extreme sport like bungee jumping. You do it for the excitement that comes from being terrified. I'm really not a fan of rollercoasters, so watching horror films is my way of experiencing this kind of fear and excitement. I enjoy them because they don't make me feel too anxious!

I watch most films with my brother but he doesn't like horror movies at all. Usually my sister and I watch these together because she's a lot braver. Sometimes I keep a cushion close by, just in case things get too scary!

The other day, I sat down by myself and watched a film called 'The Strangers'. It's about a family that goes on a vacation and stays in a hotel filled with ghosts. They get trapped and have to find a way to escape. It was almost as scary as 'The Visitor', which gave me nightmares! I had to stop watching 'The Strangers' at one point, and checked my phone for a while, just to calm myself down. I know some people read books and magazines but I don't find this helps.

Some scenes in horror movies are unforgettable. I once woke up in the middle of the night because I heard something ticking under my bed. I remembered a similar scene in a horror movie where something was knocking under the bed and a ghost suddenly appeared! However, it turned out to be my clock which I accidentally dropped and I was scared for nothing.

The more I watch horror films, the more I enjoy them. Whenever a new one is released, I'll be the first to watch it – just not on my own!

Questions 35 - 40

You are going to read a newspaper article about sports.

Six sentences have been removed from the article. Choose from the sentences (A - H) to fit each gap (35 - 40). There are two extra sentences which you do not need to use.

For each question, mark the correct answer (A - H) on your answer sheet.

SPORTS AND ME

My parents encouraged me to play lots of sports while I was growing up. I was far better at some than others!

When I was five years old, my mother signed me up for tennis classes. 35. During my first lesson, the coach sent a tennis ball flying into my cheek by mistake! That was when I started to have a fear of tennis balls. That ended my mother's dream of seeing me become a tennis star.

When I was seven, my father bought badminton rackets for my brother and me. 36. Despite my best efforts, I just couldn't get my serve right. It was no surprise that the practice sessions ended shortly after that.

37. I tried another sport, netball. It was one of the few that I really enjoyed playing. I even got selected for the school team at the age of 11. From there on, I spent hours learning the correct way to pass and catch the ball.

Even though I was very short, I played in 'goal defence' position in competitions. At one competition, I tried very hard to block an extremely tall goal shooter. 38. This defeat made me question if netball was the right sport for me.

The only sport that I'm interested in now is taekwondo. I was 12 years old when I first joined my taekwondo club. I was the smallest in the class, but I enjoyed the activities every week. There were times when I got injured and hurt my ankle during training sessions. 39. I attended all the weekly taekwondo classes and passed all the tests.

With time and effort, I finally received my black belt and managed to win several prizes in competitions. 40. I hope one day I'll be able to join the Malaysian team and make my country proud.

- A He took us to a nearby sports centre to learn the basics.
- B I can never forget those scary experiences.
- C Instead of giving up, I decided to train even harder.
- D But my search for a sport was far from over.
- E But I don't want to stop there.
- F It wasn't easy and we lost the game.
- G She thought it was a great idea, but she was wrong.
- H It took a long time to recover.
