

### Potrivește dispozitivele

The diagram shows a central computer system with various peripherals. A monitor is at the top center, with a camera above it. A keyboard is below the monitor, and a mouse is to its right. Two speakers are on either side of the monitor. A tower PC is to the right of the keyboard, and a printer is to the right of the tower PC. Arrows point from each device to a corresponding empty box. Below the diagram is a row of seven boxes containing the following labels: Tastatură, Boxă, Mouse, Imprimantă, PC, Cameră, and Monitor.

Tastatură	Boxă	Mouse	Imprimantă	PC	Cameră	Monitor
-----------	------	-------	------------	----	--------	---------
