READING WORKSHEET WEEK 4 (27/4 -3/5/2026)

Part 1: Read the text above and fill in each blank with ONE word or a number.

Everybody has got a hero – somebody they want to be like. Who is yours? Mine is Cristiano Ronaldo, the football player. I admire him because he has worked very hard to become one of the greatest athletes in the world.

Ronaldo was born in Portugal in 1985. He first started playing football when he was a young boy, and he loved it so much that he moved away from home at age 12 to train with a big club. He started competing professionally as a teenager and got faster and stronger all the time.

Ronaldo won many competitions, including several Champions League titles, and in 2016 he led his country to win the European Championship. He went on to break several records for scoring the most goals and became the first male player to score in five different World Cups.

Cristiano Ronaldo has had ups and downs in his career, facing injuries and people doubting his age or performance. However, he is a very disciplined man and he keeps training (and winning!). This is why he is my hero. I hope I can be as hardworking as him when I grow up.
