

1. Lee el siguiente texto y luego elige la opción más adecuada según la información dada en el texto: (1 Punto)

MY FAMILY

My name is Thomas. I am twenty-two years old. I live in Hamilton, a city in Canada. I have a big family. I have a mom, a dad, two sisters, and two brothers. My mom is fifty-four years old, and my dad is fifty-one years old. My mom works at the bank. My dad is an auto mechanic.

My brothers and sisters are all younger than me. I am the oldest child. After me is my sister Dorothy. She is twenty-one years old. Next is my brother Lucas. He is nineteen years old. Next is my brother Marcus. He is eighteen. Finally, the baby of the family is Teresa. She is sixteen.

I am studying medicine in university. I want to be a doctor. Dorothy is also in university. She is studying English. I think she wants to be a writer or a university teacher. She is always reading a book.

My brother Lucas has a YouTube channel. He has one million followers! I don't know why. He just plays video games and talks about them. My brother Marcus likes cars. I think he wants to be a mechanic like our father.

Our youngest sister Teresa is in high school. She likes volleyball, math, and music. She also plays the guitar.

Now you know about my family.

Where is Hamilton?
