Hi! I'm Peter. I have a very busy routine. I usually get up at 6:00 AM because I go to school in the morning. I have classes in the afternoon, too. I finish school at 3 p.m. On Mondays and Wednesdays I go to the club after school. I play football in the club. I think football is more interesting than tennis. I never play tennis.

I have a very healthy diet. For breakfast, I always drink milk and eat fruit with some cereal. I think fruit is better than biscuits! I have lunch in the picnic area at school. I usually have some tuna and vegetables for lunch. I never drink Coke or Pepsi at school. I prefer water or orange juice.

Sometimes at the weekend I eat some chocolate and sweets, but not a lot.

My best friend is Juliet. We go to the club together and we play football in the same team. She is more intelligent than me and very kind. She's an excellent football player. She plays football better than me but I am faster than her. We always have a great time together!
