A visit to Scotland often begins in Edinburgh, the capital city of Scotland. Edinburgh is an old city with many important and interesting buildings. After London, Edinburgh is the second city for visitors in Britain.

If you come to Edinburgh by train from the south, the first thing you see when you leave Waverley Station is Edinburgh Castle. It stands high over the city. Soldiers in kilts take visitors around and tell them the castle's story.

Edinburgh is a hilly city but it is a good city to visit on foot. After the castle, you can visit more of the Old Town. Go down the Royal Mile to Holyrood House, the Queen's home when she comes to Edinburgh. It is three hundred years old.
