

You've got a postcard from your friend. Write her back and answer her three questions about your holidays. Write 50–60 words.

Dear _____ ,

Greetings from Finland. We're having a great time here. The camping is very nice and we are lucky with the weather. There's sunshine every day but it's not very hot. Yesterday we had a nice trip to the north and saw a lot of deer!

It's very beautiful here! There's a wonderful lake. Dad's fishing at the moment. Mom is swimming. I'll join her later. It's really fun. Where are you on holiday? What's the weather like? What are you doing?

Write to me soon.

Take care,

Julia
