Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

In today's digital age, mobile learning (m-learning) plays an important role in education. One of its biggest advantages is **accessibility**. Students can study anytime and anywhere, such as at home, on the bus, or in the library. This flexibility helps them balance studying with other activities more easily.

Mobile learning is also more **interactive** and engaging. Through apps and online tools, students can participate in quizzes, watch educational videos, and join discussions with classmates. These activities make learning more enjoyable and help students remember information better.

Another great benefit is personalized learning. Many apps use special technology to adjust the difficulty of tasks based on students' progress. This allows each learner to study at their own pace and makes education more inclusive for everyone.

In addition to academic benefits, mobile learning helps students develop important digital skills. By using smartphones and tablets, they become more familiar with modern technology. These skills are useful for future jobs in the digital age, where technology plays a key role.

In conclusion. Mobile learning offers many advantages, including accessibility, interactive lessons, personalized education, and the development of digital skills. As technology continues to grow, mobile learning is expected to become even more essential for the future education, helping students worldwide achieve their goal effectively.

Question 31. What is the main idea of the passage?

A. The benefits of mobile learning
B. The drawbacks of mobile learning
C. The personalized lessons in learning
D. The near future of mobile learning

Question 32. Which of the following is TRUE about mobile learning?

A. Mobile learning does not help with digital literacy.
B. Mobile learning is more difficult for most students.
C. Students can study anytime and anywhere they like.
