RL.1.9 To identify basic similarities and differences between two objects

A Pair of Parrots

Read the story.

Kira has two pet parrots.

Both parrots are large birds with colorful feathers.

Kira's first parrot, Max, has blue and gold feathers.

Max can say five different words!

Kira's other parrot, Star, has red and green feathers.

Star cannot say any words, but she can whistle songs!

Max and Star are both very smart birds.

Compare and contrast the characters by filling in the Venn diagram. Write two ideas in each section.
