

# HOUSE CHORES

Hi! My name is Laura. I help my family at home with different chores.

I always **make my bed** in the morning. I usually **wash the dishes** after dinner. I often **sweep the floor** because we have a dog. I sometimes **cook** simple meals with my mom. I often **take out** the trash in the evening. I usually **clean** my room on Saturdays. I sometimes **do the laundry**, but my mom helps me. I never **wash the car** because my dad does it. I think helping at home is important!
