

Let's Learn Tally Marks!

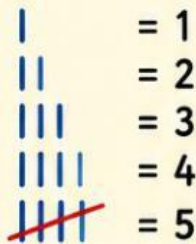

What are Tally Marks?

Tally marks help us count things easily!

How to Make Tally Marks

Draw straight lines like this:

When you get to 5, cross the lines!

= 5 (the 5th line goes across!)

1. Count and Write the Number

a. Apples:

= _____ apples

b. Birds:

= _____ birds

c. Cars:

= _____ cars

d. Stars:

= _____ stars

2. Draw the Tally Marks

a. 6 bananas

b. 8 balls

c. 10 flowers

3. Look and Answer

a. Which is more?

Apples

Bananas

Circle one:

Apples / Bananas

b. Which is less?

Cars

Bikes

Circle one:

Cars / Bikes

4. Try It Yourself!

Count the pictures and draw tally marks.

Tally:

Tally:

Remember!

Count 1, 2, 3, 4... then **CROSS** for 5!

Tally marks help us count quickly and neatly!
