Sports help children grow strong and healthy. They are good for our body and mind. Sports keep kids active, teach new skills, and are fun ways to make friends. Adults need sports too!

Reading Part 3**Read and answer the questions (10 marks)****Questions 1 – 5**

Read the text about “**Book Project**” and answer the questions. For questions 1-5, write your answers in the spaces.

Book Project

Haili is 16, and her sister Brooke is 13. Haili loves scary books, but Brooke enjoys comics. They believe it’s fun for kids to read books with characters like them. In 2020, they started a group called “Books Like Me” to help schools get books with different characters. They made a list of their favorite books and asked online readers to send books to them. Soon, they collected many books to give to schools. Teachers say the books from “Books Like Me” make students happy and interested in reading. They think kids learn to care for others when they read about different characters. Haili loves seeing kids smile when they find books they enjoy. Both girls hope all kids can find characters like themselves in books.
