Embedded Questions II

> **Grammar reminder:**
> In embedded questions, use **statement word order** (subject + verb). Do NOT invert the verb.
> Use **if / whether** for yes/no questions, and **the wh- word** for wh- questions.
> Example: Where does he live? → **I don't know where he lives.**

Task: Use the phrase and the direct question to write an embedded question.

#	Phrase	Direct question	Your embedded question
1	**Do you know …**	Where is the nearest pharmacy?	
2	**I'm not sure …**	Is she coming to the party tonight?	
3	**I wonder …**	What time does the last train leave?
