

Let's Make a Line Plot!

1. Classroom Book Measurements

- 6 cm →  
- 7 cm →    
- 8 cm →      
- 9 cm →    
- 10 cm →   

Add an X over the correct measurement to record your answer.

Length of Reading Book In Centimeters

2. Shoe Measurements

- 5 inches → 
- 6 inches →   
- 7 inches →     
- 8 inches →      
- 9 inches →    
- 10 inches → 

Add an X over the correct measurement to record your answer.

Length of Shoe In Inches
