a) slash b) underscore c) hashtag

Complete the text with the correct symbols

Hello everyone!

My name is Carlos and I love technology and math _____. My email address is carlos_25 _____ gmail.com.

In math class, we learn operations like: $5+3=8$ and $5+3=8$.

We also use symbols on social media.

For example, we use ____ for hashtags on Instagram and TikTok.

Sometimes teachers ask questions like "How are you today?" _____

On websites, we often see the slash symbol in addresses like:

<https://google.com>

In usernames, we sometimes use the underscore symbol, like:

cool_student25

Symbols are everywhere in English _____
