4. Read and answer

Inferential Thinking Reading

Tomorrow, Liam **is going to** participate in a science fair at school. He has been working on his project for two weeks. Tonight, he **is going to** finish the final details and practice his presentation with his sister.

When Liam checked the weather forecast, he saw that **it was going to** rain heavily in the morning. Because of that, he **is going to** leave home earlier than usual. His mother **is going to** drive him to school so his project does not get wet.

Liam feels nervous because many students **are going to** present creative ideas. However, his teacher believes Liam **is going to** do very well because he worked hard and prepared carefully.

1 Why is Liam going to leave home early?

- A. He wants to buy food.
- B. It is going to rain in the morning.
- C. He is going to visit a friend.
- D. He forgot his project at school.

2 What can we infer about Liam?

- A. He is irresponsible.
- B. He does not care about the science fair.
- C. He is prepared and dedicated.
- D. He dislikes presentations.

3 Why is Liam's mother going to drive him to school?

- A. Liam cannot walk.
- B. She is going to meet his teacher.
- C. They want to protect the project from the rain.
- D. The school is very far away.

4 How is Liam probably feeling before the science fair?

- A. Relaxed
- B. Nervous
- C. Angry
- D. Bored

5 What does the teacher think about Liam's performance?

- A. He is going to fail.
- B. He is going to forget his presentation.
- C. He is going to do well.
- D. He is going to stay home.

6 What is Liam going to do tonight?

- A. Watch television
- B. Finish his project and practice
- C. Play video games
- D. Sleep early

7 Why does Liam feel nervous?

- A. Many students are going to present creative projects.
- B. He lost his experiment.
- C. The science fair was canceled.
- D. His teacher is angry.

8 What is probably going to happen tomorrow?

- A. Liam is going to miss the event.
- B. The science fair is going to continue despite the rain.
- C. Liam is going to throw away his project.
- D. The students are going to stay at home.
