

READING ACTIVITIES: PETER'S WEEKLY ROUTINE

PETER'S WEEKLY ROUTINE

This is Peter. He is an 11-year-old student who is very active and friendly. He likes sports, music, reading, and spending time with his family and friends. During the week, Peter has a busy routine because he studies a lot and also enjoys many activities after school.

On Monday, Peter wakes up early, has breakfast, and goes to school. In the afternoon, he does his homework, helps his mom at home, and practices football in the park.

On Tuesday, he goes to school and then plays basketball with his friends at the sports center. In the evening, he watches a TV show and talks to his grandparents on the phone.

On Wednesday, Peter studies Science and History at school. After school, he goes to the library with his best friend to work on a project. Before going to bed, he reads a book.

On Thursday, Peter has Music lessons at school. He practices the guitar at home and helps his younger brother with homework. At night, he watches TV with his family.

On Friday, Peter goes to school and visits his grandparents in the evening. They have dinner together and play board games.

On Saturday, Peter meets his friends, rides his bike in the park, and plays video games. Sometimes he eats at a restaurant with his family.

On Sunday, Peter relaxes at home, cleans his room, and prepares everything for the next week before going to bed early.
