Q1: Match the picture with the correct word. (3 Marks)

Happy holidays! I thought you might be interested to know that in 2007, AOL has launched a number of new or updated products, many of which you may not know about. The year was filled with some very real challenges, but we met those challenges head-on and the result is better products and an audience of more than 230 million consumers around the world using these new products. The response has been terrific, and I wanted to share some highlights - with links - so that you can check out some of these products for yourself.
