

LKPD

An illustration of various school supplies. A red pencil with a pink eraser and a pink pen with a yellow cap are positioned diagonally. A large brown set square is in the upper center, and a green protractor is in the lower right. They are all resting on a white notebook with blue lines, which features several hand-drawn math graphs and equations like x^2 , y^2 , and $x^2 = y^2$. The background is a solid blue color with faint, light blue mathematical symbols and formulas scattered throughout.
