I prepare my lessons before the class and then teach until noon. The other teachers and I always eat lunch and talk together in the teachers' room. I teach again in the afternoon and then I correct my students' homework and assessments.

After I get back home, I help my kids with their homework. I have three kids in elementary school. Their names are Matthew, Joan, and Susie. Then I work out for 1 hour. I eat dinner with my family and watch TV. We love to watch travel shows together. Finally, I go to bed at about 10:00 o'clock and read in bed for a few minutes before I fall asleep.

Kelly Smith

Well, I always get up very early at about 5:30. I get up early because I like to go jogging on the beach and watch the sunrise. Later, after breakfast, I go to work. I work in a bank near my home. I don't drive to work; I take a bus. It only takes about 20 minutes to get to work. After work, I like to go to my favorite bakery and buy some fresh bread. I get home between 5:00 o'clock and 5:30. My husband, Michael, usually makes dinner because he loves to cook. In fact, he is a chef in a restaurant. His hobby is painting, and my hobby is growing flowers in our garden. We also have a pet dog called Wolfie. In the evenings, we take Wolfie for a walk and then go to bed by 9:30 because we have to get up early the next morning.
