Read the following passage and mark the letter A, B, C, or D to indicate the correct answer to each of the following questions from 31 to 36.

Our planet is a canvas painted with wonders – forests, waterfalls, mountains, and coral reefs. Sustainable travel and conservation efforts are essential to ensure that these wonders remain <u>unspoiled</u> for generations to come.

Start your conservation journey by selecting eco-friendly modes of transportation. Opt for public transportation, trains, or electric vehicles whenever possible. These options generally have a lower carbon footprint compared to personal vehicles or air travel.

When exploring natural wonders, always <u>adhere to</u> designated trails and follow park guidelines. Straying off the designated paths can lead to soil erosion and disturbance to wildlife habitats.

Single-use plastics are a significant threat to our environment. Bring reusable water bottles, bags, and containers to minimise waste generation. Dispose of your waste responsibly, and consider participating in cleanup efforts.

By integrating these conservation steps into your travel habits, you become a responsible traveller, leaving behind a positive impact on the environment. Let's ensure that our exploration of natural wonders is not just about witnessing their beauty but also about being active participants in their conservation.
