You will hear a conversation between two friends, Natalie and David, who are discussing a new public transport project in their city. For questions 1-10, decide if each statement is true (T) or false (F).

1. The new public transport project will begin in about two months.
2. The new buses can communicate with each other.
3. Currently, more than half of the city's residents refuse to use public transport.
4. Drivers will not be allowed to share lanes with the new buses.
5. The city council has started making the city's streets wider.
6. Natalie is slightly concerned about the safety of the new buses.
7. The new buses are more expensive to buy than traditional buses.
8. All local residents will be able to travel for free on the new buses.
9. David wasn't in favour of the project when he first learned of it.
10. David and Natalie plan to take a ride on one of the new buses once the trials are finished.

You will hear ten sentences. Look at the answers. Now listen to the recording and tick the best answer.

|--|--|
| 1 I've dreamed of being an artist for years.
A visit to a museum inspired me.
I was at an exhibition at the time. | 6 It's made of recycled plastic, I think.
It's very visually impressive, I feel.
It's by a French artist, I believe. |
| 2 I'd say kindness.
I try to be honest.
Everyone is different. | 7 I'd rather do that if I could.
Well, it's much better for the planet.
Actually, I keep one with me at all times. |
| 3 I think renewable energy is great.
But what about the environment?
Energy-efficient appliances might help. | 8 But what about issues like water pollution?
That's the problem with industries.
I try to avoid creating waste unnecessarily. |
| 4 I think we have the same taste in art.
I haven't seen that one, to tell you the truth.
It just requires more interpretation, that's all. | 9 Yeah, she's very calm under pressure.
She really does make friends easily.
I'm not sure how ambitious she is. |
| 5 I thrive in social settings, so I guess so.
Probably, since I'm naturally quite shy.
I can get along with all types, honestly. | 10 I can listen to a great album all day.
That's the main difference between those art forms.
Visual media are just more engaging to me. |

You will hear people talking in ten different situations. For questions 1-10, choose the best answer A, B or C.

1 The speakers hope the man

- A comes over to speak to them.
- B sits down to drink his coffee.
- C leaves soon.
