

ZAPPING

Sira and Mireia are bored and start watching different TV programmes. They see many chaotic shows like The Voice, where Alma sings badly, and The Ant Show, where two girls pretend to be twins but are not. They also watch a fake fortune teller, crazy news, and a very messy weather report. SpongeBob has a bad driving test, and in MasterChef Pau wins the pizza contest. Later, they watch Stranger Things, but the “monster” is just a clothes stand. At the end, Sira and Mireia are tired of TV and decide to stop watching and read a book instead.
