6 Read and write about a friend.

My friend Miguel is a very special person. He was born in Madrid. He learnt to walk when he was one and a half. When he was four, he moved house. He learnt to play the violin when he was six. Today, he plays in concerts around the world. He goes on a plane every month, so I don't see him a lot. When we are together, we watch videos on the Internet and we play chess. He's kind and friendly, but he's a bit shy, too. He's a great friend!
