LESSON B I'VE NEVER BEEN MORE SCARED

1. SELECT THE WORDS THAT BEST COMPLETE THE PHRASES.

David: Are you saying you encountered a witch Rosa? That story is frightening!
Rosa: Well until this day, I'm not sure it was a witch, it was probably a goblin or a ghost.
David: I **never experienced / 've never experienced** anything supernatural in my life, well unless UFOs count.
Rosa: What?! **Did you see / Have you seen** a UFO? When?
David: Two years ago, my dad and I were camping in Mineral del Chico, in the middle of the forest and around eleven we **saw / have seen** a shimmering light behind some trees, **we though/ have thought** it was another camp, so we paid no attention, however about 5 minutes after, the light became incredibly bright! We **camped / have camped** in this area for years and **we never saw / have never seen** anything like that.
Rosa: And what **happened / has happened** next?
David: Well, the light sky rocketed and vanished within seconds, in fact we never **saw / have seen** the shape of the object or if it was in fact a spaceship but it is the only weird thing I **witnessed / have witnessed** in my life.
Rosa: **Did you tell / have you told** anyone after the sighting?
David: Like who? The police? No, we didn't, nobody believes it's real.
Rosa: Well you're right! Actually you're the only one who believes my story is real...
David: Uh, when **did I say / have I said** I believed your story was real?
