2 4.22 **You will hear part of an interview with a young fashion designer called Jake. For each question, choose the correct answer a, b or c.**

Tip: The questions come in the same order as the information in the recording. If you miss the answer to a question, leave it and move on to the next question, then try to answer it the second time you listen.

1 What is Jake planning to do in the summer holidays?
   a relax and have a rest
   b prepare for a fashion show
   c go on holiday with his parents
2 Who first suggested that he should design clothes?
   a his sister
   b his aunt
   c his parents
3 According to Jake, what quality do you need in order to be successful?
   a You need to be very creative.
   b You must be organised and reliable.
   c You need to be determined.
4 What makes Jake's clothes so popular?
   a You make them yourself in the shop.
   b Customers can choose exactly what the clothes look like.
   c They are cheaper than clothes in High Street shops.
5 What does Jake intend to do when he leaves school?
   a work full-time on his own business
   b go to college to study fashion design
   c get some work experience with a fashion designer
6 What would Jake most like to do?
   a inspire other young people to become successful
   b earn lots of money
   c become a famous fashion designer

3 4.23 **You will hear a conversation between a boy, Tom, and a girl, Tara, about upcycling. Decide if each sentence is correct or incorrect. If it is correct, choose the letter A for YES. If it is not correct, choose the letter B for NO.**

Tip: Listen carefully to check that the information in the recording exactly matches each sentence. For example, a sentence in the task might say that the speakers agree on an idea, but in the recording only one speaker may express this opinion.

	YES	NO
1 Tom didn't know what upcycling was before this conversation.	A	B
2 Tom thinks it's easier to upcycle things than to buy new ones.	A	B
3 Tara believes that individuals should try to create less rubbish.	A	B
4 Tom and Tara agree that governments should do more for the environment.	A	B
5 Tara persuades Tom that he should buy upcycled clothes.	A	B
6 Tom suggests that Tara should start a campaign to teach people about upcycling.	A	B
