Read the dialogue below carefully. As you read, pay attention to the landmarks mentioned and how the speakers describe their relative positions to one another on the town map.

Sam : Excuse me, I am looking for the City Museum. Is it far?
Mia : No, it is quite close! Do you see the park on the map?
Sam : Yes, I see it.
Mia : Great. The museum is opposite the park, on the other side of Green Street. It is next to the library.
Sam : Oh, I see it now. And where is the cinema?
Mia : The cinema is at the corner of Green Street and Main Road, right behind the supermarket.
Sam : Thank you so much for your help!
Mia : You are very welcome! Have a great time exploring.
