

HOURGLASS BY SET IT OFF

When pretending **lends a helping hand**
We hold it close, so close, and _____
Then the pen begins to write a story
With an end that **bends** right

[Pre-Chorus]

How did we get so **jaded**? I don't know
Was it the **white lies** feeding our egos?

Is that just how it goes?
Seconds I wasted, I was fixated
You're **devastated**, sorry to say
_____, is this where I **give in**?

[Chorus]

I'm falling through the hourglass
And I don't think I'll ever _____
So I throw stones at walls I'll never climb
