The Old Trunk Mystery

Sofia and her brother Leo find an old trunk in their grandmother's attic. The trunk is large and brown, and it has a small silver **lock** on the front. There are many interesting objects inside the trunk. There is a pair of **muddy boots**, a **fishing hat**, and a blue notebook. There are also some old photographs, a **flashlight**, and two maps of different forests.

The owner of the trunk has an active routine. He wakes up early every morning and spends a lot of time outdoors. He has a **fishing rod** and a camping backpack. He also has a collection of small rocks from different places. In the notebook, there are notes about rivers, animals, and weather conditions. The person enjoys nature and adventure.

There is a photo of a dog inside the trunk too. The dog has long brown **fur** and a red collar. There are many signs that the owner likes traveling and exploring new places. The trunk belongs to someone who loves camping, **hiking**, and fishing.
