

LESSON E

WHAT TO DO BEFORE ANSWERING A QUESTION?

We usually need to give ourselves thinking time before answering to a question. There are some techniques you can use to fill silence while you think the best answer or just to remember any data.

- A) Ask the speaker to repeat the question, example: Pardon? Sorry? Excuse me? Can you say that again?
- B) Make "thinking noises", example: Hmm. Er. Well.
- C) Use English expressions which mean you are thinking about your answer, example: That's an interesting question. Let's see. Let me think. Give me a second. Just a moment.
- D) Repeat the question slowly, example: What ... will... I do... after class? ...

1. LISTEN AND CHECK THE TECHNIQUES THE SPEAKERS USE. ACCORDING TO THE PREVIOUS EXPLANATION. TICK THE BOXES.
