Samantha is a teenager who lives in a small town near the beach. She has a best friend named Noah, whose favorite hobby is surfing. Every weekend, they go to a sports club which is close to Samantha's house.

Last Saturday, Samantha was drinking lemonade while Noah was practicing surfing in the water. When suddenly, the weather changed and strong wind started blowing. Although some people left the beach immediately, Noah continued surfing for a few minutes.

However, the waves became very dangerous; therefore, the lifeguard asked everyone to leave the water. Samantha, who was feeling nervous, called Noah from the beach. He finally came back safely and sat next to her.

Besides surfing, Noah also enjoys playing the guitar. He not only practices sports but also writes songs in his free time. Samantha loves music too, and sometimes they sing together after school.
