1. Read the text and match each text (A-E) with its picture (1-5), there is one extra.

Match the house with the description:

☐ **A-** This house is small and it only has one floor. Its walls are white and its roof is yellow. In this house, there is one bedroom, a small kitchen, and a bathroom. There is also a garden.

☐ **B-**This house is separated. It has two floors. There is a kitchen, a dining room, a living room and a bathroom on the ground floor. There are three bedrooms and another bathroom on the first floor. There is also a garage.

☐ **C-** This is a five-floor building with ten apartments. In the apartments there are two bedrooms, a kitchen, a living room and a bathroom. There is also a garage.

☐ **D-**This is a semi-separated house. Both have the same number of rooms. Each of them has two floors. There is a kitchen, a dining room, and a living room on the ground floor and there are three big bedrooms, a study room and another bathroom. There is an attic on the third floor. There is a balcony

2. Look at the pictures and match the house / building it's talking about:

A. It only has two windows ___
B. These houses don't have a garage ___ and ___
C. The building is separated from the others and it's gray ___
D. It has an attic ___
E. It has orange walls and a brown roof ___
F. There are many buildings next to each other and they are very colourful ___
