

# UNIT 2

## Jobs

### LESSON A

### ENJOY YOUR WORK

#### 1. CHOOSE THE WORDS THAT BEST DESCRIBE YOU.

1. I get on well with **all** / **most** / **some** of my colleagues.
2. I am **employed** / **student** / **self-employed**.
3. A good salary is **very important** / **important** / **not important** to me.
4. I find my job very **interesting** / **boring** / **challenging**.
5. I **always** / **sometimes** / **never** feel happy going to work in the morning.
6. I think I can earn **more** / **less** / **much** more money if I finished the university.
7. I can get more experience **in the school** / **in a factory** / **in courses**.

#### 2. WHEN MUST YOU LEAVE YOUR JOB? CHOOSE THE CORRECT OPTION.

1. You don't get on with any of your **colleagues** / **boss**.
2. You always disagree with your **boss** / **salary** about everything
3. People with less **experience** / **money** than you earn more than you.
4. You really **like** / **don't like** the work you are doing
5. You know that the **company** / **salary** isn't doing very well.
6. You fell **stressful** / **happy** every time you are working.
7. You think your boss doesn't have **passion** / **money** in his actions.
