HUICHAPAN

PUEBLO MÁGICO

Hi! Its a pleasure to write to you again. I have yet returned from a beautiful place, its name is Huichapan. Ive spend an incredible time with my friends there. I has visited it twice in my life. But, let me tell you about it.

Huichapan is located on the west of Hidalgo. It is classified as Pueblo Mgico , it have been a Pueblo Mgico since 2012. There is a place called El Chapitel, this is where the Mexican Independence day was celebrated for the first time in 182.

The first time I visited Huichapan was with my family. We went to El Jardn Central, which is downtown. Over there we saw the monument of the General Julin Villagrn. Also, we tasted the hand-made ice cream, and let me tell you that I have ever tasted such a delicious ice cream.

My second visit was with my friends, as I already told you. It has be a different experience because it was a little more adventurous. We went to El Saucillo, which its a fantastic ecoturistic park. There is a famous aqueduct; we have never saw such an amazing place. We went rock climbing and on the zip line. We enjoyed it a lot.

Have you never visited Huichapan? If not, you should!!!

A "Pueblo Mágico" is a place that is rich in history and culture; such as important history events, legends, etc. All of this helps to foster the tourism in the area.
