

After school, we go home but sometimes Daniel plays in the park with his friends.

In the evening, we have dinner together. I usually eat hamburgers, and Daniel prefers sushi. Finally, at 10 pm, we go to bed.

At school, I always study English, Maths, History and Science.

Hi! My name is Amelia and I am 13 years old. I am from Argentina and I live with my family in a small house near my school. I have got one brother.

Every morning, I usually wake up at 7 o'clock.

First, I get dressed and have breakfast with my family.

After school, I often watch movies on my computer or listen to music.

Daniel and I have lunch at school, but sometimes we eat lunch at home.
