

Hello. Let me tell you about some jobs people do.

This is a vet . She works at the pet clinic.
She helps sick animals. 

This is a librarian. He works at a library . He helps people find books and checks them in and out.

This is a postal worker. He works at the post office. 
He sorts letters and packages and sells stamps.

This is a salesperson  . She sells things and answers questions about the products. 

This is a server.  She works at a restaurant. She takes orders and brings food to the tables.

These are all the jobs I wanted to tell you about.
Thank you for listening.
