## Let's go for a swim!

I **have/has** recommended you some beautiful places in Mexico for a long time, but today I'm going to tell you about a special place I really like. This place is located in Hidalgo, its name is Las Grutas de Tolantongo.

This little paradise is in San Cristobal, El Cardonal, near Ixmiquilpan. Have you **ever/never be/been** to Ixmiquilpan? No? Well, it's another fantastic place, but I'll talk about it next time.

Las Grutas de Tolantongo is a place where you can find different natural attractions, such as waterfalls, caves, hot spring waters,

a river and tunnels. Also, you can go hiking or buy a ticket for the zip line, it's amazing!

I have **already/just** visited Las Grutas de Tolantongo four times. In fact, I've **already/just** been there last weekend. This weekend I stayed in the hotel, but the other three times before, I have **camp/camped**. Also, I have **swum/swim** in the river and in the hot spring waters, these last ones are wonderful.

I definitely recommend you this place. Here you can relax and have fun. It has been a marvelous experience. Have you visited Las Grutas de Tolantongo **just/yet?**

2. HAVE YOU EVER BEEN TO LAS GRUTAS DE TOLANTONGO? IF YOU HAVE, WRITE A COMMENT ABOUT YOUR EXPERIENCE. IF NOT, ACCORDING TO WHAT YOU HAVE READ, WRITE A COMMENT SAYING IF YOU ARE INTERESTED IN VISITING THE PLACE AND WHY.
