Our Planet

Our planet is very special and we must look after it along with the animals and plants that live on earth. However, one big problem that is causing damage to our earth and many animals that live here is plastic pollution. This is a very serious issue that everyone can help stop.

What Can We Do?

There are lots of things we can do to help:

- Don't have plastic straws in drinks.
- Fill up a water bottle, don't buy a new one.
- Say no to plastic shopping bags.

Exercise 1: Write True or False:

1. Plastic pollution is good for animals. _____
