

- 1 Listen to the song „New York, New York“ from Frank Sinatra and fill out the gap text. (There are some words that you might not be familiar with. You find them in the box next to the lyrics)

Start spreading \_\_\_\_\_

I am \_\_\_\_\_ today

I want to be \_\_\_\_\_

New York, New York

These *vagabond* \_\_\_\_\_

Are longing to *stray*

Right through the very \_\_\_\_\_

New York, New York

I want to \_\_\_\_\_ in a city

That doesn't \_\_\_\_\_

And find I'm \_\_\_\_\_

Top of the heap

These little town blues

are *melting away*

I gonna make a brand \_\_\_\_\_ of it

In old New York

If I can \_\_\_\_\_

I'll make \_\_\_\_\_

It's up \_\_\_\_\_

New York, New York
