

1

Listen to the song „New York, New York“ from Frank Sinatra and fill out the gap text. (There are some words that you might not be familiar with. You find them in the box next to the lyrics)

Start spreading _____

I am _____ today

I want to be _____

New York, New York

These *vagabond* _____

Are longing to *stray*

Right through the very _____

New York, New York

I want to _____ in a city

That doesn't _____

And find I'm _____

Top of the heap

These little town blues

are *melting away*

I gonna make a brand _____ of it

In old New York

If I can _____

I'll make _____

It's up _____

New York, New York

New words	
spread news	tell everyone
vagabond	a person who wanders from place to place without a home or job.
stray	move away aimlessly from a group or a place.
heap	put objects all together on a heap, e.g. heap of stones
melt away	sth. disappears
