## Section 2: Match the Columns (Join boxes)

Instructions: Draw a line to match each healthy habit with its corresponding health benefit.

 **Liveworksheets Command:** Draw an interactive box over the left elements and type join:1, join:2, etc. Do the same for the correct answers on the right using matching numbers.

**A** Eating fruits and vegetables every day.

**B** Riding your bike or walking to school.

**C** Washing your hands before eating.

**D** Brushing your teeth three times a day.

**1** Keeps your teeth clean and prevents cavities.

**2** Gives your body vitamins, minerals, and energy.

**3** Makes your muscles and heart stronger.

**4** Eliminates bacteria and prevents diseases.

### Section 3: Short Answer (Open responses)

*Instructions: Answer the questions about your personal life using complete sentences in English.*

 **Liveworksheets Command:** Simply draw an empty text field over the blank lines. Leave it without keywords so you can grade their custom English responses manually.

**1. What is your favorite healthy food and why do you like it?**

.....

**2. How many days a week do you do physical activities or sports? Which ones?**

.....

**3. Mention one good habit you want to practice more often this month.**

.....
