11 Choose the correct answers. (8 points)

In Fairfax, Virginia, <sup>1</sup> **was / there were / there was** a big food festival in April 2023.

<sup>2</sup> **There wasn't / There were / There weren't** some hamburgers, chicken and hot dogs at the festival, but they <sup>3</sup> **weren't / were / wasn't** from meat. That's because it <sup>4</sup> **wasn't / were / was** a vegan food festival. Vegans don't eat any food items from animals. In their opinion, people shouldn't eat fish, steak or even eggs. But vegans can't get all their nutrients from eating tomatoes, beans and peas. At a vegan food festival, people can get ideas for different meals. At the 2023 festival, **there was / there were / there weren't** speakers, cooking classes and delicious food to buy. But the festival <sup>6</sup> **was / wasn't / were** just about food. <sup>7</sup> **There was / There were / There weren't** live music and <sup>8</sup> **there was / there were / there weren't** face painting and yoga activities, too!
